

# CALL FOR PAPERS

Presentation on March 4, 2020 at  
 Innisbrook Resort  
 Palm Harbor, Florida USA

**Abstract submission deadline:  
 September 13, 2019**

ODVA's Industry Conference is committed to bringing together the best minds in the industry to present insights on emerging technology and standards that will drive the future of industrial automation and smart manufacturing initiatives around the world. Experts from ODVA's Member companies are invited to submit abstracts for consideration on the following topics:

- Functional enhancements to EtherNet/IP
- Advancements in wireless technologies including 5G
- Progress in the Ethernet Physical Layer
- Device Integration
- Information Modeling and Transport for IIOT
- Cybersecurity
- Time Sensitive Networking
- Condition Monitoring and Diagnostics
- Artificial Intelligence for data analytics

In addition, other topics not listed above will be considered provided they are relevant in the context of current and emerging ODVA technology and standards. The focus of a paper may be targeted at use cases, technical innovations, methods, current and emerging standards, or some combination of these aspects. Papers are expected to examine and propose engineering techniques and innovations to achieve a specific objective.

Paper may be authored by multiple individuals who are employees of Member companies. Secondary authors who are not Members but are stakeholders in the ODVA ecosystem are permitted. At least one author is required to attend ODVA's 2020 Industry Conference & 20th Annual Meeting of Members in person to present the paper. Following the event, papers will be published online at [www.odva.org](http://www.odva.org) as a part of the 2020 Industry Conference proceedings.

Abstracts can be submitted via the form on [www.odva.org](http://www.odva.org) by the deadline below.

Milestone	Deadline
Call for papers opens	July 10, 2019
Last day to submit abstracts	September 13, 2019
Rolling approval of abstracts	July 24 – September 20, 2019
Final notification of acceptance of abstracts	September 20, 2019
Initial submission of draft technical papers and PowerPoints due	November 22, 2019
Initial feedback to authors	December 13, 2019
Revised submissions of technical papers and PowerPoints due (must include short author biography and separate .jpg of author photo)	January 10, 2020
Second round of feedback to authors	January 24, 2020
Final submissions of technical papers and PowerPoints due	February 14, 2020
Presentation at ODVA 2020 Industry Conference	March 4, 2020
